

NRM North invites you to a discussion on

Stock nutrition and managing feed through lean winters

Discuss ways to maintain animal body condition and healthy nutrition through lean winters including supplementary feeds, worm control, grazing management, shelter and fodder crops.

NRM North's Peter Heading will also introduce a new local trial aimed at improving stock nutrition and soil carbon over the next 4 years.

Featuring:

Paul Nilon,
Nilon Farm Health
and
Jason Lynch,
Macquarie Franklin

Date: 1:00pm – 3:00pm Wednesday 26th June, 2019

Venue: Rosevale Hall, Bridgenorth Rd

RSVP: Peter Heading e: pheading@nrmnorth.org.au

p: 6333 7777 by Monday 24th June for catering purposes
