

*NRM North invites you to a discussion on*

## **Stock nutrition and managing feed through lean winters**

Discuss ways to maintain animal body condition and healthy nutrition through lean winters including supplementary feeds, worm control, grazing management, shelter and fodder crops.

NRM North's Peter Heading will also introduce a new local trial aimed at improving stock nutrition and soil carbon over the next 4 years.

Featuring:

Jason Lynch,  
Macquarie Franklin

**Date: 10.00am – 12.00pm Thursday 20th June, 2019**

**Venue: Scottsdale Golf Club, later on trial site**

**RSVP: Peter Heading, [pheading@nrmnorth.org.au](mailto:pheading@nrmnorth.org.au) 6333 7777 by**

**Monday 17<sup>th</sup> June for catering purposes**
