

NRM North invites you to a discussion on

Stock nutrition and managing feed through lean winters

Discuss ways to maintain animal body condition and healthy nutrition through lean winters including supplementary feeds, worm control, grazing management, shelter and fodder crops.

NRM North's Peter Heading will also introduce a new local trial aimed at improving stock nutrition and soil carbon over the next 4 years.

Featuring:

Paul Nilon,
Nilon Farm Health
and
Jason Lynch,
Macquarie Franklin

Date: 9.30 – 11.30am Wednesday, 26th June, 2019

Venue: 'Chester' shearing shed - 535 Westwood Rd, Westwood

RSVP: Peter Heading: pheading@nrmnorth.org.au

0400 737 253 by 24th June for catering purposes (see map overleaf)

Chester farm is on the Westwood Rd, Westwood.
